AMBASSADOR PUBLICATIONS

Educational Publications

An abundance of religious, educational resources is produced by various publishers and may be easily accessible on the internet, but much of this material is shallow or even inconsistent with scriptural teaching. Our congregations need quality educational resources that are reliable and Gospel-centered. Parish Education produces quality biblical Lutheran educational and devotional resources to encourage faithful teaching of the Word of God.

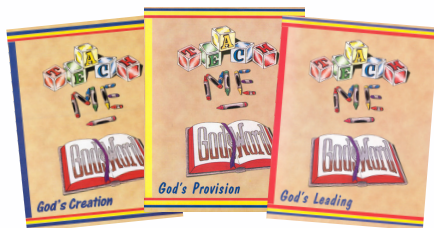

How does your gift make an impact? Producing quality Bible teaching resources that are faithful to God's Word and our Free Lutheran emphases serves the educational needs of our congregations. As a result, children and adults will be nurtured in Christian faith and grow in wisdom and understanding of God's Word.

Opportunity for Giving

This project is for the redesign, production, and printing of the curriculum. Total cost: \$30,000. Student leaflets were printed summer of 2026 and invoice was paid. Full funding is still needed for quarters (units) 2 and 3 student leaflets and all 3 quarters (units) of teacher manuals. Thanks be to God for His provision of a \$5,000 gift from the national WMF.
