

Endowment to fund the Executive Director position

The ARC has an endowment fund set up with the purpose of funding the Executive Director position. The total to fund this position would be \$2,750,000. Once this goal is met, each year 4% could be used to fund the expenses for the Executive Director. This would allow funds which were once used to pay the expenses of the Executive Director to be used to fund other needed positions.

Thank you for your prayerful consideration of this endowment fund. Please pray with us that God would bring in the funds needed to make this happen. The goal again is \$2,750,000.
