## Discipleship Manual

Evangelism & Discipleship provides a discipleship manual for new believers to all AFLC members and congregations. This manual not only helps disciplers to know what to discuss with new Christians, but also gives recent converts opportunities to think through key Scripture passages, continue dwelling on God's grace, and understand how both apply to their lives. Though this manual is always available online in our resource library, our print stock is running out! One of our upcoming projects is to reprint the manual and edit the Spanish translation so that our churches can access the manual in the way that best suits their needs. The cost for the update and reprint of the Discipleship Manual is \$5000.
