## Living as a Disciple Podcast

Our call as Christians is to be disciples—but what is a "disciple"? In our new podcast, we examine what it means to be a disciple of Jesus and how that impacts the way we live our lives. The goal of this podcast is to encourage believers to consider how Jesus calls us to follow Him, not just in theory, but in every part of ordinary life. The podcast platform also enables us to reach a broad audience with our gospel-centered and AFLC-rooted content. Your financial gift will support encouraging listeners around the United States and world to walk with intention in the footsteps of Christ.
