

Rekindle the Fire

Rekindle the Fire (RTF), an annual association-wide event, is designed to “rekindle the fire” of evangelism and discipleship within the hearts of our AFLC pastors and church members through relevant and insightful teaching on this critical calling. It takes place the Tuesday before the AFLC Annual Conference, in a nearby location. Our annual budget for this event is \$7500, which allows us to invite all members of the AFLC.
