

Executive Director Position Endowment Fund

The Association Retreat Center has established an endowment fund to ensure long-term sustainability for its Executive Director position. The goal is to fully fund this leadership role with an endowment total of \$2,750,000. Once reached, 4% could be used each year to provide ongoing financial support for the position.

By meeting this goal, The ARC will free up annual resources to invest in other vital staff roles and ministry priorities. We invite you to join us in prayer and consideration as we work toward this lasting foundation.

THE
ARC

Partner with us in continuing the mission to glorify Christ through rest and renewal.
