

FLBC Student Scholarships
AFLC Development Department Giving Opportunity for FLBCS*

The Free Lutheran Bible College and Seminary exists to establish students in the eternal and inerrant Word of God for a life of faith in Jesus Christ and faithful service in His Kingdom.

We are able to keep tuition and fees below the actual cost of an education at FLBC through the generosity of individuals and congregations. Yet, we continue to see students, who desire to study God's Word, who lack the necessary financial resources. We rely on privately funded scholarships to meet the need for student financial assistance. Please pray with us as we seek God's provisions to financially enable these students the opportunity to study God's Word at FLBC.

I wanted to express my sincere thanks to the donors for aiding my second year of attending FLBC. I am so grateful as I go on to study God's Word and grow in my relationship with Him. This college has been such a blessing in my life! I feel as though I will never be able to fully express my gratitude to be able to dedicate two years to building a strong foundation for my faith in scripture, and to be supported by others – both spiritually and financially. Thank you so much! - Olivia Johnson

I am immensely appreciative of your generosity as I look forward to attending FLBC in the fall. While there, I will be intent on becoming further reinforced in and knowledgeable of my faith, so I can strengthen my hope in Christ and become fully articulate apologetically. Although there are countless possibilities available for my life, I am not yet confident in what career my future holds. In going to FLBC I hope to stimulate a healthy period of growth during a pivotal part of my life, while I seek out what God has best designed and equipped me for. Once again, I am grateful for your generous support. - Sam Davis

Would you prayerfully consider making an investment in establishing students in the study of God's eternal Word through your gift to scholarships?
