

## Ford Transit Connect Wagon for Housekeeping

With 640 beds across The ARC's campus, the housekeeping team plays a vital role in keeping things clean, stocked, and ready for guests. A vehicle dedicated solely to housekeeping would make a tremendous difference.

The ARC is seeking to purchase a Ford Transit Connect Wagon – a compact van well-suited for transporting linens, cleaning supplies, and equipment. Outfitting the van to handle bulk loads would reduce trips between buildings and significantly improve staff efficiency.

A used model ranges from \$19,600 to \$25,000, with new models around \$36,000.

Please be in prayer for funds to complete this project, and for what the LORD may lead you to do. Thank you for all of your prayers and financial support.
