

H.I.S. Fund ~ Help In Service Fund

The Help In Service Fund exists to compassionately support AFLC pastors and their families when needs arise that fall outside traditional health coverage or assistance. Whether it's helping a pastor's widow facing expenses or providing aid in a time of medical or financial crisis, this fund steps in where other resources cannot.

Requests are commonly brought to the AFLC President and channeled to the Benefits Board which prayerfully considers each situation and determines how best to respond.

In the world we live in today, these needs are only growing. With the rising cost of health care and everyday living, many of our pastors serve faithfully while living on modest means. The Help In Service Fund has provided relief from heavy burden during critical moments. There is no fixed target amount for this fund, but we pray it remains ready and adequately supplied to meet urgent needs as they arise.

We invite you to be in prayer for these needs, and to prayerfully consider how God might lead you to give so this fund can continue to bless those who have served our churches. We thank you for your generosity, and may the Lord bless you for your partnership in caring for His shepherds.
