Faithful Resources for Students

An abundance of religious, educational resources is produced by various publishers and may be easily accessible online, but much of this material is shallow or inconsistent with scriptural teaching. Our Free Lutheran Bible College and Seminary students need quality educational and devotional resources that are reliable and Gospel-centered, and rooted in Free Lutheran history. Parish Education produces quality biblical Lutheran resources to equip and encourage students preparing for lives of service in Christ's Church.

How does your gift make an impact? By supporting the distribution of these faithful, Christ-centered materials, you help ground students in God's Word during college and seminary years, encouraging lifelong faithfulness.
