
Presidential Ministry Associate Endowment Fund

The President of the AFLC serves our fellowship in a wide range of meaningful and often unseen ways. From ordination and installation services, dedications, and church anniversaries, to attending funerals for pastors and their family members, personal support to pastors serving in our churches, and responding to a wide range of communication and other needs of our churches – this is a ministry of care and constant service. The scope of this calling is significant and it is clear that one man alone cannot fulfill all that is required of the Presidents Office. To assist in carrying out these responsibilities, a full-time Presidential Ministry Associate serves alongside the President.

Currently, this position is funded through the AFLC General Fund. To relieve that burden and create a sustainable solution, we are prayerfully seeking to establish an endowment fund designated to support the Presidential Ministry Associate role. A fund of \$2.5 to \$3 million would allow approximately 5% to be distributed annually for this purpose.

We invite you to pray with us, asking the Lord to provide the resources needed, and to lead you in how you can support this ministry whether through prayer, financial support, or sharing this opportunity with others. We praise God for His faithfulness and continued provision in all things, and are grateful for those who walk with us in ministry. May the Lord richly bless you for your partnership.
