## AFLC Presidents Endowment Fund

As the AFLC continues to grow, so do the responsibilities of the President and the financial needs of the General Fund. With this growth comes an increased demand for the President to travel, serving not only as a leader but also as a shepherd to pastors and congregations across the country. Currently one of the obligations of the General Fund is to provide for the salary and ministry expenses of the President.

To relieve some of the long-term financial burden on the General Fund, the AFLC is establishing a Presidents Endowment Fund. The goal is to build this fund to \$3 million, which would generate approximately \$150,000 annually through a 5% distribution. This will cover the salary and ministry expenses of the President.

We invite you to pray with us, for the Lord's continued provisions and how He may lead you to support this need whether through prayer, financial support, or sharing this opportunity with others. We praise God for His faithfulness and are grateful for those who partner with us in ministry.
