

FLBCS Music Ministry

AFLC Development Department Giving Opportunity for FLBCS*

The Free Lutheran Bible College and Seminary exists to establish students in the eternal and inerrant Word of God for a life of faith in Jesus Christ and faithful service in His Kingdom.

Choir Robes

We seek to encourage students to worship the LORD with all their heart, soul, mind and strength. We also share the Gospel through song, music, scripture and testimony wherever God leads us.

Choir Robes - Our Concert Choir, Proclaim Choir and Symphonic Wind Ensemble all wear robes in order to give their ensemble a uniform look during performances. These robes are used at the Christmas and Spring Concerts, Chapel Services and on tours. The majority of our current choir robes were purchased in 1988. Most have been a part of hundreds of concerts and have weathered over 100,000 miles of travel. Many of these robes are showing extreme staining, along with wear and tear.

This photo shows an older robe, purchased in 1988, stained with years of wear, compared to a newer robe, purchased in 2012. This picture was taken after both robes were dry cleaned. We would love to continue to replace older choir robes with newer ones. A discount is given when purchasing 6 or more at a time. We are currently in need of 15-20 new robes.
