**AFLC Development Department Giving Opportunity for FLBCS\***

*The Free Lutheran Bible College and Seminary exists to establish students in the eternal and inerrant Word of God for a life of faith in Jesus Christ and faithful service in His Kingdom.*

We are able to keep tuition and fees below the actual cost of an education at FLBC through the generosity of individuals and congregations. Yet, we continue to see students, who desire to study God's Word, who lack the necessary financial resources. We rely on privately funded scholarships to meet the need for student financial assistance. Please pray with us as we seek God's provisions to financially enable these students the opportunity to study God's Word at FLBC.

My first year of Bible College was such a blessing to me. I grew in my understanding of the Gospel, vocation, and the local church. My relationship with God has grown as my prayer life has deepened. Also, I have been blessed with so many incredible friendships. I am so excited to return for my second year.

Your generosity and kindness are a tremendous blessing to me and my life. I have seen God continue to nurture my faith at the Bible College and it has been one of the best experiences I have ever had. Your monetary support is a continued reassurance to me; I may not know you personally, yet you are willing to support my continued education in God's Word. For that, I thank you very much.

**Would you prayerfully consider making an investment in establishing students in the study of God's eternal Word through your gift to scholarships?**
