Investing For Eternity

International Student Scholarships

Free Lutheran Seminary & Bible College

Our mission is to establish students in the eternal and inerrant Word of God for a life of faith in Jesus Christ and faithful service in His kingdom.

Institutional Objectives:

Our objectives are that graduates of the Free Lutheran Seminary and Bible College will:

- Demonstrate a comprehensive understanding of Scripture, subscribing to its inspiration, infallibility, and inerrancy without reservation, confessing its authority and demonstrating the ability to accurately interpret it.
- Grow in spiritual maturity informed by the Law and motivated and empowered by the Gospel.
- Understand the function of the local congregation and the place of the individual believer in its fellowship and ministry as guided by the AFLC Fundamental Principles.
- Participate in making disciples of all nations, especially through involvement in the local congregation.

Throughout the history of the Bible College and seminary, students from around the world have come to the FLBCS campus to study the Word of God. Our goal with international students is to provide Biblical and theological training they need to be grounded in the Word of God and equipped to go back to their home country to serve Christ in their careers and home congregations. Many international students come from areas where a solid Bible training is not accessible. Our schools serve a great purpose in providing an international experience while helping them build a foundation on God's Word during their time at the college or seminary.

In recent years, God has blessed our campus with international students from Eritrea, Ecuador, Brazil, Mexico, Latvia, Slovakia, Russia, Norway, the Czech Republic, Liberia, Tanzania, Uganda, China, and Mongolia.

Many of our international students need financial help as they study at FLBC or FLS. International student scholarships are administered by the financial aid committee. These funds are directed mainly toward help with tuition costs. It is expected that other costs would be paid by the student through the assistance of a “sponsor” (a family member or friends) as well as part-time employment on the campus as available.

You can have a part in helping other students like these to have the opportunity to study God’s Word at FLBCS.

Approximate costs for one year:

FLBC – Tuition, fees, books \$12,500.00

FLS – Tuition, fees, books \$12,850.00

Would you prayerfully consider investing in a student to study God’s eternal Word?

Actually, any support is very precious to a full-time student far away from your home, church and friends. But for me personally the financial support also serves as a reminder that God is my true Provider. He has called me here and He is faithful as Paul writes: “The one who calls you is faithful, and He will do it.” (1 Thessalonians 5:24) Marika Ivsina, Latvia - FLBC

God provided and made a way for each and every obstacle that we faced. Looking back, we are in awe of how God worked things out His way and worked in us. God taught us to trust Him and only Him. God taught us to depend only on Him. We trust that He is in control of our yesterday, today, and tomorrow. We want to thank all who have supported us through prayers for us and financial support. We are grateful to be part of this community of believers. Ganzo Enkhjargal, Mongolia - FLS

Very often I look back at my time at FLS. It was time when we were diligently studying the Word of God, we were experiencing spiritual unity when we were praying on our knees before classes started, and we were sharing our lives as a classmates and friends. I benefited from this greatly. Michal Klus, Trinec, Czech Republic
