KUBOTA ZD1011 48" ZERO TURN MOWER WITH MAINTENANCE LIFT KIT FOR THE ASSOCIATION RETREAT CENTER

The Association Retreat Center has had a Dixon Ram50 Hydrostatic 50" made in 2005. The Dixon has cut many blades of grass here at The ARC. However, after several hours of repair and replacing parts it is time for it to be retired.

We would like to replace it with a Kubota ZD1011 48" Zero Turn mower with a maintenance lift kit for \$13,358 .

We thank you for prayerfully considering this proposal and partnering with our ministry.
