## WOOD CHIPPER FOR THE ARC

Purchasing this Wood Chipper is two fold for the ARC. The first reason being that we can save money by not ordering wood chips from the County and other sources. The second is that since the Lord has blessed us with hundreds of trees which supply us with hundreds of tree branches why not use these tree branches to help the ARC campus. Therefore instead of the cost of having wood chips dropped off by the county we would like to use the tree branches here at the ARC. This in turn will help us line many of our flower beds, make our prayer walks dryer and also keep our disc golf area dry.

Professional Grade Wood Chipper

TOTAL COST \$6000.00
