### AFLC GENERAL FUND

Pastor Lyndon Korhonen  
AFLC President

Administration Building

Pastor Gary Jorgenson  
Assistant to AFLC President

The General Fund of the AFLC is a fund which covers all expenses not included in other department budgets or under other corporations. It covers salaries of the president, the assistant to the president, the director of business management, assistant bookkeeper, administrative assistant to the president, receptionists, The Lutheran Ambassador Managing Editor, and part of the salary and travel expenses for the Director of Development. It also covers expenses, snow plowing, gas bills, electrical bills, building upkeep, driveway and parking lot maintenance, postage, travel expenses for the coordinating committee and other miscellaneous expenses.

None of these are glamorous things to fund but without them much of the ministry that the AFLC does would not take place. It is a fund that goes under-funded year after year because it is generally overlooked in the scheme of giving.

Last year, 2018, the General Fund budget was \$837,219.50 and it received \$768,144.40 resulting in a \$69,075.10 deficit. This proposal is asking you, to consider financially supporting this often overlooked ministry of the AFLC.

Chanel Pederson

Executive Assistant to AFLC President

Receptionists Chris Rasmussen and Liz McCarlson

Katie Johnson

Director Business Management

Deb Nelson

Assistant Bookkeeper

Ruth Gunderson

Lutheran Ambassador Managing Editor

Pastor Tonnes Pollestad

AFLC Director of Development

Each year, as stated earlier, the General Fund falls short of reaching it's budgeted goal. Please be in prayer with the Coordinating Committee that God would inspire churches and individuals to come alongside to help reach and even exceed the budgeted goals of the General Fund. This will further the purpose of doing more to build God's Kingdom.

Again we are asking all to PRAY.
