Investing For Eternity

Church Planting Retreat Sponsored by Home Missions

The Church Planting Retreat happens each February typically in Mesa, AZ. Our mission for the conference is to train and equip people who are interested and encouraged in church planting. To also train up church planters to help churches plant new AFLC churches.

It is our desire to get funding to cover event expenses including but not limited to speaker fees, media specialists to help us with produce videos and photos throughout the week, catering meals, and providing scholarships to keep costs low for our attendee's.

GETTING OUT OF THE OFFICE

COLOSSIANS 3:1-4

We love to see people young and older excited about the church planting opportunity. The need for training church planters is important. It's a week of refocusing, refreshing and community with likeminded Christians.

We want to be able to host this event every year for those interested or are in the midst of church planting. We want to keep the costs for attending as affordable as possible.

It takes an average of \$10,000 a year to put on this retreat. Please pray about what the Lord may lead you to do meet these needs. God bless.
