### FLBC/FLS Gift Books

Each year new students gather on the Campus of the Free Lutheran Bible College and the Free Lutheran Seminary. Before them stretches out a precious opportunity to learn more and more about God's Word.

Ambassador Publications desires to support our FLBC and FLS students in every way we can. One way that we have determined to help is by providing them some valuable resources from our publishing ministry

*The grass withers, the flower  
fades, but the word of our God  
will stand forever. Isaiah 40:8*

As students study the Bible, they will need faithful publications to help them complete their assignments and grow in their faith and in their understanding of God's Word.

To support and encourage the FLBC students, we would like to provide them with two publications by C. O. Rosenius during their time at FLBC. At the beginning of their first year, we would like to provide *The Believer Free from the Law*. For their second year, we would like to provide *A Faithful Guide to Peace with God*.

As students enter the seminary, many of them are just beginning to gather vital tools that will help them minister in AFLC congregations. Like a new carpenter or a new mechanic embarking on a new career, the prospect of gathering the needed tools can be daunting and expensive. With that in mind, we would like to provide every first year seminary student with a set of the AFLC Heritage Series books, as well as a set of the hardcover book and CD of *Luther's Small Catechism and Explanation*.

*Would you pray about helping us fulfill this opportunity as quickly as possible?  
We confidently pray that God will provide in His time according to His will.*

### ***What would it cost?***

The cost depends on the number of students in each school.  
The cost per FLBC student is around \$6.50 (with an estimate of 100 students = \$650.00)  
The cost per seminary student is \$100.00 (with an estimate of 5 new students = \$500.00)

any extra funds received will be used to help us provide service to our students)*
