Investing For Eternity

Ambassador Publications

*serves congregations and individuals by providing biblical Lutheran resources
to encourage faithful teaching of the Word of God.*

God graciously blessed the AFCLC through Dr. Francis Monseth's faithful leadership at our AFCLC Schools for more than 30 years. Dr. Monseth provided consistent leadership in our Seminary and Bible School, as well as many hours of classroom teaching. He impacted a significant number of lives in his years of service at our Schools. During his tenure he wrote a variety of articles, devotional material, and theological papers. It is our desire to preserve and share these writings in our next AFCLC Heritage Series book.

Dr. Monseth's family has graciously given us permission to publish his writings. Furthermore, his family has worked diligently to review these materials for accuracy. We are so thankful for their help and support.

Many years ago, the AFLC Board of Publications envisioned a book series to preserve the heritage and history of the AFLC. The first four books of the Heritage Series have been published, the most recent one in 2016 entitled *Footprints of the Faithful: Fifty Years of the AFLC Mission in Brazil*.

Our desire is to -publish the compilation of Dr. Francis Monseth’s writings as the next book in the AFLC Heritage Series in 2018. This volume will contain articles, devotional material, and theological papers written by Dr. Monseth during the years of his faithful service to our AFLC Schools.

What would it cost?

Would you prayerfully consider partnering with us to print this important book?

The cost to publish the next volume in the AFLC Heritage Series will be about \$30,000.
