

# AFLC DEVELOPMENT DEPARTMENT

## Investing For Eternity

## Ambassador Publications

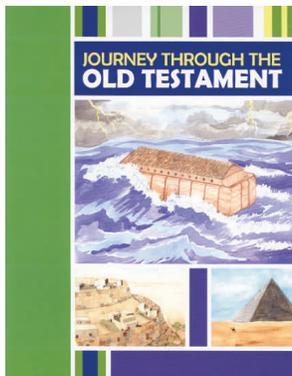

*serves congregations and individuals by providing biblical Lutheran resources  
to encourage faithful teaching of the Word of God.*

In order to better serve our congregations, the scope of our ministry has broadened to include an increased number of curriculum projects as well as other needed resources. This requires more personnel than we presently have available.

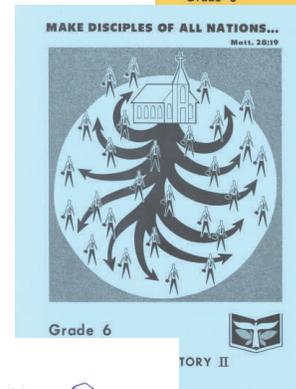

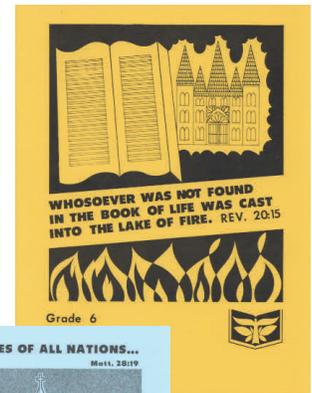

Our current backlog of projects in effect deprives children and youth of the Christ-centered teaching and quality curriculum that is often lacking in our culture today. The end result is teachers and students who are left with materials that are either outdated or shallow, deficient in biblical content.

Projects currently waiting to be completed:

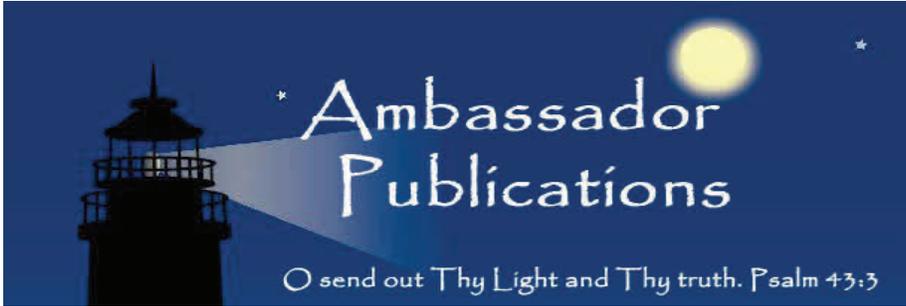

- Teacher manuals for Preschool, Grade 3, and Grade 5.
- Student books for Grades 6, 7, and 8.
- New Bible studies for youth and adults.

*Sample of new Grade 5 student book completed.*

*Samples of outdated curriculum waiting to be revised.*

*Teacher training session*

In order to better serve our congregations, the Board of Publications desires to hire a full-time administrative assistant. An administrative assistant would allow for completion of much needed curriculum projects as well as increase training opportunities for teachers in our congregations, both of which will impact the growth of God's kingdom.

Would you pray about helping us fulfill this opportunity as quickly as possible? We confidently

***Praise God for the work He is doing  
in the lives of students and teachers!***

One teacher commented about the new Grade 5 student book:

“When I received the new fifth grade material, I became excited again about teaching. I not only was the teacher, but I became a learner as well. Each lesson captured my interest and created new insight that I was eager to share with my students.”

—Bonnie

***What would it cost?***

Adding an administrative assistant would cost approximately \$55,000 per year. We are looking to fund this new position for three years by your gracious and loving help, until we can build the position into the budget. The opportunity that we have before us is to raise the funds for those three years, giving us time to increase the budget to maintain this new position. The total estimated cost for the three years is \$165,000.
