FLY BEYOND 2022
NATIONALLY EQUIPPING TEENAGERS

WHO IS TRAINING TODAY'S TEENS?

FLY Beyond is a leadership-focused, national conference held every two years, which lands opposite from the Free Lutheran Youth (FLY) Convention. The priority of FLY Beyond is equipping teenagers to be witnesses for Christ and to be servant-leaders in their congregations and their communities.

AFLC Youth Ministries' mission is to win teenagers to Jesus Christ through the Gospel, to build believers in God's Word and God's love, to equip them to live their faith and share their faith with others, which results in multiplying maturing teen disciples of Christ in the local congregation.

Expanding the Reach

Responding to the COVID-19 crisis in 2020, FLY Beyond incorporated a physical camp and a digital camp. The physical camp was attended by 150+ teens and adults representing 34 congregations. The digital camp was attended via video recordings by 9 additional local churches across the country in July and August.

The prayer goal for FLY Beyond 2022 is to expand our reach to 70 congregations by offering more options within the physical camp and digital camp approaches.
