CONTINUING EDUCATION FOR YOUTH MINISTRIES' COORDINATORS

AFLC Youth Ministries' vision is for part-time, paid department positions that invest crucial time on our ministry objectives of the administration, training, and networking of our national youth efforts.

These roles capitalize on the ministry skills of our staff, but the Youth Ministries department wants to invest in these capable leaders for their long-term effectiveness.

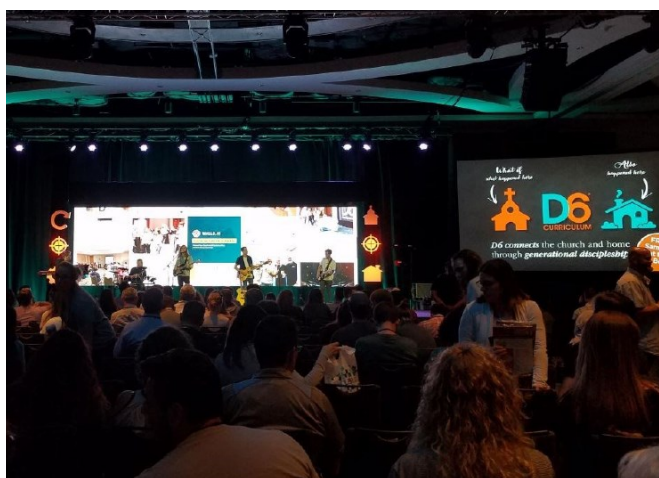

We praise the Lord for wonderful part-time coordinators within AFLC Youth Ministries! We recognize that we cannot simply receive from their gifts, but we want to be investing in their skills. This development piece would position us to ensure valuable continuing education for our talented coordinators.

- Rev. Dr. Jason Holt, Director of AFLC Youth Ministries

Continuing Education: Training Coordinators Who are Training Others

Through the gifts of kind donors, AFLC Youth Ministries was able to send coordinators to national training events in 2019 and 2022. The Youth Board would like to make this an annual emphasis.

Through a partnership with FLBCS, we were able to promote this training environment across the AFLC fellowship. The reception to the right at the D6 Conference involved over 20 AFLC friends.
