These days are demanding on youth leaders—the culture keeps changing and the audience keeps adjusting. The need for youth leaders to receive Biblical, practical, and tangible training is absolutely critical to our focus across the nation to win, build, equip, and multiply teens in Jesus.

**AFLC YOUTH MINISTRIES’
APPRENTICESHIP PROGRAM PURPOSE**

AFLC Youth Ministries exists to win teenagers to Jesus Christ, to build them up in God’s Word and God’s love, and to equip them to share their faith with others, which results in the multiplying of maturing teen disciples of Jesus, who in turn make disciples.

Therefore, when it comes to the caring adults that are influencing the spiritual lives of teenagers, we will pursue excellence for comprehensive training. The Apprenticeship Program enables a congregational-based, training-minded, and servant-leadership approach to multiply Jesus’ model of ministry.
