Rekindle the Fire

Rekindle the Fire (RTF), an annual association-wide event, is designed to “rekindle the fire” of evangelism and discipleship in the hearts of our AFLC members through relevant and insightful teaching on our calling to make disciples. Each year, we choose a unique theme and speakers who embody that theme in their life and ministry. Our prayer is that each person who attends may be encouraged by the teaching, fellowship, and prayer to persevere in sharing the gospel of Jesus Christ through authentic, incarnational, and compassionate ministry.

RTF takes place the Tuesday before the AFLC Annual Conference, in a nearby location. Our annual budget for this event is \$7500, which allows us to invite all members of the AFLC.
