The Free Lutheran Bible College and Seminary exists to establish students in the eternal and inerrant Word of God for a life of faith in Jesus Christ and faithful service in His Kingdom.

Professional Series Ariens Commercial Snow Blower

Many factors are considered in the selection of a snow blower to accommodate the needs of the grounds and facilities. Purchasing an additional professional series walk behind snow blower will allow maintenance to more quickly and efficiently clear snow and achieve professional results without disrupting surrounding turf and landscape. A walk behind snow blower will protect and maintain the integrity of our sidewalks and provide safe walkways for students, staff, and guests.

The addition of the Student Life Center Facility increases the number of linear feet of sidewalk that we need to maintain and keep clean on a daily basis in our Minnesota winter weather.

Estimated cost is approximately \$4500.
